

## Active Duty

How do I obtain my vaccine record?

<https://asimsimr.health.mil/imr/MyImr.aspx>

Click "Immunizations" tab, then select DD2766c.

## Deployers

Do you need a vaccine right away and have orders to deploy overseas or out/in-processing?

Deployers leaving in 30 days, with orders, can walk in.

7:45-9 a.m. & Noon-1 p.m.

## Flu Walk-in Lines

- Immunizations organizes 12-15 Flu vaccine lines yearly at different locations on base for active duty members.
- Active duty can attend any line that best suits their schedule.

## Occupational Health

For Hepatitis B vaccines and TB skin tests for healthcare workers, walk-in 7:45-8:15 a.m. & Noon-1 p.m. No TB testing/reads on Thursdays or holidays.

## FAQs

- **When am I due for a vaccine?** Active duty can check ASIMs IMR. Select "worksheet." Everyone can get a copy of their record on the MHS GENESIS Patient Portal. Send a message to Immunizations if you need more info. CDC schedule links are in this brochure.
- **What COVID vaccine do you offer?** Pfizer, ages 6 months+, as supply allows.
- **What Flu vaccine do you carry? When?** Typically, we carry regular dose flu vaccines from the end of November to the end of June, for ages 6 months and older.
- **Do you carry the Shingrix shingles vaccine?** Yes, those 50 years and older can get it without a prescription. Ages 19-49 need a prescription.
- **Do I need a prescription for vaccines?** Typically, no. Routine scheduled vaccines for kids and adults do not need a prescription (i.e., Flu, COVID, well-visits.) However, vaccines for travel or special populations may require one. (i.e., No spleen, chronic illness, Shingrix <50yo)
- **Do you perform TB skin testing?** Yes. Mon, Tue, Wed, Fri (unless 3-day weekend); read 48-72 hours after, 7:45 - 8:15 a.m., or noon - 1 p.m.
- **Do you offer alternate pediatric vaccine schedules?** We adhere to the CDC recommended vaccine schedules. Any alternative schedule needs to be recommended by your pediatrician
- **How to update my vaccine record?** Fax record to 228-376-0190, attach record to MHS GENESIS message to Immunizations, or drop copy off at our front desk.

# Keesler Immunization Clinic

Location: Ground Floor, behind the escalators; take a left up the ramp

301 Fisher Street  
Biloxi, MS 39532

MHS GENESIS Portal Messaging:  
[patientportal.mhsgenesis.health.mil](https://patientportal.mhsgenesis.health.mil)

Fax: 228-376-0190

## Pediatric Vaccines

We proudly administer routine vaccines from infancy. For well-visit vaccinations, arrive **same-day** as pediatric appointment or schedule your child's vaccines a different day via the appointment line: **228-376-2273**.

**How do I get a vaccine record for my kids?** Active duty have special access through their IMR page:

<https://asimsimr.health.mil/imr/MyImr.aspx>

Click "Immunizations" tab, and then select any child 16 years old and younger, print DD2766 for record, and select "worksheet" for when next vaccines are due. For 17 years and up, send message per below.

## Vaccines Messages

**1. Immunizations' Message Pool on MHS GENESIS Patient Portal:**

[patientportal.mhsgenesis.health.mil](https://patientportal.mhsgenesis.health.mil)

Click "Send a Message" on the home page and select "Keesler Immunizations Clinic" in "To" box. Type message and send.

**2. Send a message to appointment line, at 228-376-2273, and our staff will return message via phone.**

## Vaccine Appointments

**Book Immunization appointments using the following tools:**

**1. Call appointment line at 228-376-2273 —choose "Book Appointment" option to reach an appointment clerk**

**2. Book on MHS GENESIS Patient Portal: [patientportal.mhsgenesis.health.mil](https://patientportal.mhsgenesis.health.mil)**

-Click "Appointments" tab at top

-"Schedule New Appointment" on left tab.

-Under "How would you like to begin your search?", choose "Visit Reason," then "Visit Reason" again.

-Choose patient name, then select "Immunization Appointment" on dropdown, then "Search."

-Select "Air Force Medicine Keesler Immunization Clinic."

- Search by first available or by date. Do *not* select a specific provider.

**If you've not used TOL or MHS GENESIS Patient Portal before, you need to create a login—scan QR code or go to [myaccess.dmdc.osd.mil](https://myaccess.dmdc.osd.mil) to set up account.**

Problems logging in? Call DMDC:

1-800-477-8227

1-800-368-3665

## MS 121 School Forms

**If not getting vaccinated and just need the form, choose:**

1. Request signed form through Immunizations' MHS GENESIS Patient Messaging Portal.
2. Send message to appointment line at 228-376-2273, & schedule form pickup with Imms tech.

**If child needs vaccines and updated form:** Schedule in-person appointment for vaccination and Form 121 updates.
